## TO ALL CATARRH SUFFERERS.

Hyomel Guaranteed to Cure by Rickert & Wells or Money Refunded.

The popularity and increase in the sales of Hyomel are unique in the annals of medicine. Such astonishing cures have been made by this remarkable remedy that the proprietors have authorized Rickert & Wells to sell every package of Hyomel under an absolute guarantee that it will cure catarrh. If it does not, the purchaser can have his money refunded by Rickert & Wells.

Hyomel is no ordinary remedy. It is the only method of treatment that sends by direct inhalation, to the most remote part of the air passages, a balsamic air that destroys all catarrhal germs in the breathing organs, enriches and purifies the blood with additional ozone, and makes permanent and complete cure of catarrh.

The complete Hyomel outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomel. The inhaler lasts a lifetime, and if one bottle does not cure, an extra bottle of Hyomel can be obtained for 50 cents. It is the most economical of all remedies advertised for the cure of catarrh, and is the only one that follows nature in her method of treating diseases of the respiratory organs.

Breathe through the inhaler for a few minutes four times a day and your catarrh is cured. That's all.

If not cured Rickert & Wells will refund your money.

You can get nice preserving pears at the City Fish Market, 40c per peck. Order early before they are gone.
